with the action of his younger colleague; on the contrary he wrote Rabbi Mayerberg, a letter condemning it. Rabbi Franklin also desires us to state that the omission of the phrase "with full salary" was an error on the part of the proof-reader and not Rabbi Franklin, as that phrase occurred in his manuscript. We accept the explanation, and consider the matter closed. We shall have something to say regarding the action of the Alumni of the College later.

### MACK AND WEISSMAN BREAK

The telegram received reads as follows:

Negotiations between American Zionist organization and Dr. Weissmann, president of the World's Zionist Organization have been broken off according to a memorandum issued by Judge Julian W. Mack, president of the Zionist Organization of America.

Weissmann came to this country recently to confer with American Zionists in reference to raising of funds for upbuilding of Palestine. The memorandum reads:

"I regret deeply to be compelled to make the following statement: Dr. Weissmann abruptly terminated negotiations which I have had with him and his associates for the past two weeks in the hope of reaching common ground on the basis of the unanimous resolution of the Buffalo convention for the establishment in the United States of the Keren Hayesod as a donation fund only, to be used exclusively in Palestine and under such adequate safeguards as would secure its proper expenditure. When Dr. Weissmann finally and expressly assented that Keren Hayesod should

be exclusively United States donation fund assured that efforts for peace and united action has been successful. Suggestion therefore made in course of our conference were drafted during night by representatives appointed by Dr. Weissmann and myself. Draft was submitted to each of us. It embodied points stated below. While draft was under consideration Dr. Weissmann advised me that he absolutely rejected it and without further statement or conference issued a proclamation establishing independently of Zionist Organization of America, Keren Hayesod Bureau in United States. Officers of Zionist Organization of America are not parties to this proclamation. They had not been asked to sign it and they could not have become parties thereto because it completely fails either to limit a fund as agreed, to donation fund, or embody therein any safeguards with respect to expenditures, conditions indispensably precedent to our co-operation in solicitation of these funds. A full statement of negotiations will be promptly made and will be accompanied by plans of the Zionist Organization of America for initiating Palestine donation fund pursuant to resolution of Buffalo convention and your executive committee. In campaign for this fund we shall count upon immediate and continuous co-operation of all loyal Zionists and of all American Jews.

(Signed)

"JULIAN W. MACK,  
"President Zionist Organization of America."

Provisions of drafts above referred to under consideration at time of its abrupt rejection by Dr. Weissmann are as follows:

Until next Zionist Congress, Keren Hayesod in United States shall be conducted upon foregoing basis. First shall be a donation fund only. Board of directors or trustees will be set up on which the Mizrahi Poale Zion and non-Zionists will be given appropriate representation.

Gave as specified under D E. and F moneys will be held on deposit in banks in United States. Budget of American Zionist Medical Unit shall be a first charge upon Fund appropriations therefore to be paid to and expended by executive committee of unit. A pro rata monthly contribution to fix Palestine budget shall be a next charge upon fund. Stop statements will be published monthly by executive of World Zionist Organization setting forth in detail all receipts for and expenditures under such budget. Such contributions shall be paid to executive of World Zionist Organization and expended by it in accordance with provisions of budget it being understood that new commitments involving expenditures beyond date of new Congress will not be entered into. Contributions from fund for purposes not covered by fixed Palestine budget shall be made in such amounts as shall from time to time be agreed upon between President of World Zionist Organization and President of Zionist Organization of America. Disposition of unexpended balance fund shall be determined by next Zionist Congress within limit of broad general purposes to be announced as purposes for which fund is raised. All other questions relative to fund including question of its charter after next Zionist's Congress shall be subject to determination of next Congress.

## LEGISLATURE OF WISCONSIN DENOUNCES PROPAGANDA OF RACE HATRED

Following closely upon the unofficial condemnation of the spread of race hatred, signed by the President, ex-Presidents and many others, now comes an official denouncement of this unmitigated evil in the form of a joint resolution passed by the Legislature of the State of Wisconsin.

It was passed, read and adopted February 16.

### JOINT RESOLUTION

Relating to Race Propaganda

WHEREAS, the Legislature of the State of Wisconsin recognizes that propaganda of race hatred is detrimental to the peace and welfare of the State, and

WHEREAS, the greatness of this country rests upon tolerance of race and creed as voiced by the fathers of this country in the Declaration of Independence, and

WHEREAS, certain public men are trying to stir up race and creed hatred, and

WHEREAS, the existence of such tolerance in this country has been brought home to the members of this Legislature through the free distribution of a pamphlet called "The International Jew," now, therefore, be it

RESOLVED, That the Legislature of the State of Wisconsin put itself on record as declaring that loyal citizens of Wisconsin find anti-race propaganda in any form distasteful and that such propaganda seeks to undermine the foundations of tolerance which gave this country its birth, and which were the most powerful factors in contributing to its greatness.
